

## **Black & White Component Cover**

- Max Vehicle age at start date, 10 years and up to 100,000 miles at inception.

**Braking System** – Brake limiter and restrictor valve, master cylinder, servo (or vacuum pump) callipers and wheel cylinders (excluding corroded or seized parts).

**Casings** – Damage to casings caused by the failure of a covered component.

**Central Locking** – Solenoids, locking motors, door locks, latches and electronic control units.

**Clutch** – Clutch cover, clutch fork and pivot, clutch plate, master cylinder, slave cylinder and thrust release bearing.

**Consumables** – Oil, Oil filter, gaskets, brake fluid, and antifreeze due to the failure of a covered component (within the policy valid claim limit).

**Cooling System** – Radiator, thermostat, thermostat housing, viscous fan coupling and water pump.

**Differential and Driveline** – CV joints, cross shafts, crown wheel and pinion, drive shafts, half shafts and transfer shafts, pinion carrier bearings, propshafts, internal shafts, sun and planet gears, universal joints, washers and spacers, couplings, bushes, bevel & transfer gears.

**Electrics** – Alternator, ignition coil, cooling fan motor, electronic ignition system, headlamp wiper motors, voltage regulator, all relays, heater glow plug, heating fan motor, horn, indicator flasher unit, starter motor and solenoid, windscreen wiper motors and washer motors (front and rear).

**Engine** – Camshaft, camshaft followers and bearings, camshaft pulleys, conrods, big and small end bearings, crankshaft and bearings, cylinder bores, cylinder head and block (excluding cracks), cylinder head gasket, flywheel, gudgeon pins, oil pump, pistons and rings, push rods, starter ring gear, tappet gear, tensioners, timing belts, timing chains, timing gears, valves guides and springs, hydraulic lifters, rocker shaft and rockers, inlet and exhaust valves.

**Fuel System** – Throttle body, associated electrical components, fuel pump, fuel gauge and tank sender unit.

**Oil Seals and gaskets** – Oil seals and gaskets which require the removal of a major component i.e. engine, gearbox and differential.

**Steering** – Idler box, PAS Pump, PAS rack, pressure pipes, rack and pinion, reservoir and steering box.

**Transmission** – Automatic gearbox internal components, continuous variable transmission internal components and torque convertor electric governor, oil pump, manual gearbox internal components, oil cooler, overdrive unit.

Turbo Unit – Turbo unit, including wastegate (provided it is original manufacturer equipment).

**Wheel Bearings** – Wheel Bearings including stub axles only (not hubs).

Important: unless listed above, all other parts and components are excluded from Black & White Component cover.

The maximum claim limit per repair is £500 (including VAT) and the aggregate claim limit (including VAT) per policy is the net invoice price of the vehicle.
