

Black & White Component Cover Extra

- Max age of vehicle at start date, 7 Years and 80,000 miles.

The following specifically listed components and associated labour costs are covered against mechanical and electrical breakdown.

ABS – ABS module, sensor and pump.

Air Conditioning – Pump, compressor and condenser.

Braking System – Brake limiter and restrictor valve, master cylinder, servo (vacuum pump), callipers and wheel cylinders (excluding corroded and seized parts).

Casings – Damage to casings caused by the failure of a covered component.

Catalytic Converter – Converter only (accident damage excluded).

Central Locking – Solenoids, locking motors, door locks, latches and electronic control units.

Clutch – Clutch cover, clutch fork and pivot, clutch centre plate, master cylinder, slave cylinder and thrust release bearing.

Consumables – Oil, oil filter, gaskets, brake fluid, and antifreeze, due to the failure of a covered component – all other consumables are not covered.

Cooling System – Radiator, thermostat, thermostat housing, viscous fan coupling, hoses (if damaged as a result of failure to a covered component) and water pump.

Differential and Driveline – CV joints, cross shafts, crown wheel and pinion, drive shaft, half shafts, pinion carrier bearings, propshafts, sun and planet gears, universal joints, washers and spacers, bearings, bushes, couplings, transfer & bevel gears, transfer and internal shafts.

Electrics – Alternator, ignition coil, transmission controller, climate control module, instrument panel, body controller, cruise control module, driver's door module, power distribution box module, airbag module, cooling fan motor, electric windows motor, electric mirrors (excluding glass), electronic ignition system, all ECU and DME units, headlamp wiper motors, heated front and rear screen elements, heater glow plug, heating fan motor, horn, indicator flasher unit, all relays, voltage regulator, starter motors and solenoids, windscreen wiper and washer motors (front and rear), sunroof motor and switches, factory fitted traffic management system, satellite navigation system, telephone, TV and associated equipment of all types including CD players or any other in-car entertainment component.

Engine – Camshaft, camshaft followers, camshaft bearings and pulleys, conrods and bearings, crankshaft and bearings, cylinder bores, cylinder block and head (excluding

cracks), cylinder head gasket, flywheel, gudgeon pins, oil pump, pistons and rings, push rods, rocker assembly, starter ring gear, tappet gear, tensioners, timing belts, timing chains, timing gears, inlet and exhaust valves, valve guides and springs, starter ring, small and big end bearing, hydraulic lifters.

Fuel System – Throttle body, associated electrical components, fuel pump, fuel gauge, fuel injection system and tank sender unit.

Oil Seals and Gaskets – Any which require the removal of a major component i.e. engine, gearbox and/or differential.

Steering and Suspension – Idler box, PAS pump, PAS rack, pressure pipes, rack and pinion, reservoir and steering box (excluding adjustment), coil springs, wishbones, ball-joints, hydrostatic adjustable suspension displacer units, suspension arms and torsion bars, anti-roll bars.

Transmission – Automatic gearbox internal components, torque convertor, continuously variable gearbox internal components, oil pump, electric governor, manual gearbox internal components, oil cooler, overdrive unit.

Turbo Unit – Turbo unit, including wastegate (provided it is original manufacturer equipment).

Wheel Bearings – Wheel bearings including stub axles only (not hubs).

Important: Unless listed above, all other parts and components are excluded from Black & White Component Cover Extra.

Maximum claim limit per repair is £1,000 (including VAT). Unlimited claims up to the vehicle purchase price.
